

## **Releasing Old Earth Gridding Systems from Our Entire Body Template Quantum Consciousness Plasma Crystalline LightBody DNA Activation**

*by Lisa Transcendence Brown*

Close Your Eyes

Quiet Your Mind

And Open Your HEART to Truly SEE

That NEW Earth Replaces Old Earth

As WE Each Consciously, Repeatedly and Intentionally

Release Old Earth from our own Body Templates and Gridding Systems

And Anchor, Integrate, Incorporate and Live the Light Codes of NEW Earth Fully

From deep deep deep within....

Now breathe and open completely up....

To tune, expand, absorb and shift your entire body's Consciousness...

and FEEL-SEE all from deep within

I experience NEW Earth through my highest states of Consciousness  
Which means my heart, mind and body energy must be pure and  
deeply connected on a Soul Level to the Sacred Crystalline Grids of our beLOVED Gaia/Planet Earth

As I TUNE MY Consciousness higher on a Multi-Dimensional level  
My Body is able to tune too  
As I feel the pristine energies of NEW Earth within my whole body and BEing  
My inner-gridding system  
An intrinsic lattice and interwoven matrix  
Is able to link up

As I use my own inner-vision and inner-access to reconnect, see and feel  
My entire body and BEing is able to energetically shift  
As I TUNE TO THE Consciousness of my entire cellular body  
I also TUNE INTO my Inner-connected Holographic and Morphogenic Quantum Living Field  
I AM able to FEEL and SEE  
HOW all WORKS TOGETHER AS ONE Cohesive Energy  
When I exist in Divine Harmony, Pure Peace, Love and Purity from deep within me  
I AM also able to observe, feel and see  
any ENERGY not highest vibrationally aligned  
And how this creates a distortion, a disruption, a disharmony  
Needing to be TUNED to a different vibrational frequency  
From deep inside of me  
I am able to recognise this as important  
And how Conscious Surrender releases resistance to this process  
Allows tuning to occur naturally, organically and through peace, grace and ease  
Which supports and allows for an energetic release  
So that my overall entire body's vibrational frequency can start to shift  
Which directly affects my ability to achieve and maintain a much higher state of Consciousness

As I TUNE MY UNIVERSAL HEART to Gaia's Heart  
My energy softens, my heart opens more and peaceful loving energy is able to flow out  
AS I TUNE my mind to my Universal Heart in the center of my chest  
And breathe to bring unison to these  
A synchronization process is allowed to occur  
AS I FEEL my heart open fully  
My mind and body can relax and dissolve  
Into the softness, peace and beautiful energies  
Of a much Higher Dimensional Frequency  
Aligned with NEW EARTH Consciousness...

As I tune my Consciousness to softness, I am able to soften too,  
Surrender any inner resistance

And trust a process of shifting Consciousness  
Out of the “old” and into the “new”

As my body relaxes, surrenders and tunes to a much Higher Vibrational Dimensional Frequency  
I unanchor, untether, and disconnect from any OLD programs within me  
That I was unaware I was holding onto within my body and energy  
Still binding me to versions of Old Earth/3D  
So that I can finally and completely BE FREE  
Fully and deeply from inside of me

As I do this and I consciously and continuously expand  
I am able to connect up to the Energetic Crystalline and Plasma Griding System of Our NEW Earth  
And anchor my Consciousness in a much Higher Dimension  
Which “pulls my body” into this vibrational frequency bandwidth  
Triggering a LightBody DNA Re-writing and recoding process  
Of releasing old earth codes and activating NEW Earth ones to “replace” them  
Forgo shifting to all new timelines and versions of realities aligned with Our NEW Earth  
And highest aligned for all

My body will start a cleansing and purification process  
In order to release

It’s up to me to honor this, support this and consciously let go  
Instead of allowing my survival mode, illusory fears and resistance to take over again...

And to realize that anytime I feel this occurring  
All I have to do is close my eyes, come back to center, breathe, reconnect  
And create or allow a whole body-BEing Energy Shift from within...

As I feel my entire body relax  
And breathe conscious breath through  
New peace is able to come through  
As I FEEL my heart completely open  
I can FEEL my entire vibration lift  
As a part of an important entire body energetic shift

As I TUNE to a much higher level of Consciousness  
Through Pure Heart Expansion  
I can start to see and feel  
Holographic Multi-Dimensional REALities that already exist  
The More I TUNE my Consciousness  
The more REAL everything is  
The more I open COMPLETELY UP  
The more I can access these Quantum Realms  
In order to feel and see  
The more I Consciously DO This....  
The more I activate and call forth my NEW EARTH REALITIES

To materialize into the physical  
To CONVERGE within the same Energetic Space  
Taking on actual FORM  
The more I intentionally TUNE with ALL OF ME  
to much Higher States of Consciousness from deep within me  
The more I understand and can feel-see  
The more I feel NEW Earth Energies and Light Consciousness fill my body and come through me  
The more my Lightbody DNA activates the keys and codes for this...  
The more I consciously tune  
The less the old earth realities exist  
And I start to understand  
That NEW EARTH Consciousness REPLACES OLD EARTH  
By way of recoding all THROUGH the integration of PHOTONIC LIGHT  
And that this RE-CODING PROCESS  
Occurs constantly  
All day every day and night  
With or without my awareness  
RE-writing "realities" as I perceive them to be

All to EVOLVE MY Consciousness  
And return **all** to full Consciousness again

This first occurs within my own DNA  
So when I TUNE my own Consciousness  
And expand way out from deep within  
I gain the ability to unlock and activate these NEW EARTH CODES  
And breathe them out to AFFECT REALITY on a Quantum Level  
Which is the opposite of linear, fixed, struggle and inner-fight...  
As I realize that all is vibrational and energetic  
Consciousness  
I gain all new abilities to affect realities AS PURE SOURCE Consciousness  
By holding my absolute highest state  
And permeating out into "the Quantum Field"  
And I realize that IF I HOLD THIS LONG ENOUGH  
IF I MAINTAIN THIS STATE FULLY  
THAT MY ENTIRE REALITY WILL VIBRATIONALLY AND ENERGETICALLY RE-ALIGN WITH THIS

AS I HOLD PURE LOVE  
AS I HOLD PURE LIGHT  
AS I HOLD AND EMBODY FULL Consciousness  
EVERYTHING COMPLETELY SHIFTS  
FIRST WITHIN....  
THEN "OUT THERE"

And as I clear any inner resistance, linearity, density within me  
Then my physical inside and outside create a new vibrational “match”

I also realize  
That “partial” won’t do anymore  
THAT NEW EARTH IS OUR NEW HOME  
IT’S OUR ENTIRE FUTURE  
Where all are going and already exist Multi-Dimensionally  
And Embodiment of the Consciousness is REQUIRED  
To LIVE NEW EARTH FULLY  
By each....

Now it’s a matter of commitment, dedication and deep Sacred Connection held  
And how we live our WHOLE LIVES  
For NEW EARTH to be our entire reality here....

AS I MAINTAIN MY OWN DEEP INNER SACRED CONNECTION AND DIVINITY  
From deep deep deep inside of me  
Everything is able to UNLOCK for me  
Yet I must do this continuously  
Otherwise a “reversal” can occur  
Which will then “require” another reversal by me  
To counter-balance and create a new vibrational and rotational spin  
Which becomes a part of a geometric construct  
And allows me to ascend  
Which means that I transcend all from deep within

AS I HOLD PURE LOVE  
AS I HOLD PURE LIGHT  
I ALLOW ALL NOT ABSOLUTELY HIGHEST VIBRATIONALLY AND ENERGETICALLY ALIGNED  
TO DISSOLVE AND FALL COMPLETELY AWAY

AS I HOLD PURE LOVE  
AS I LIVE MY LIGHT  
I am able to LIVE FROM PURE SOURCE Consciousness  
From deep deep deep inside

I come to understand and realize  
That “reality” is something we all create  
By what we hold deep inside  
As reality is just a focus, perception or belief  
And that when I use my inner-vision to expand and see a multitude of Dimensions  
I tune to much Higher Dimensional Realities

That already exist  
And I am able to call these forth  
To become my ACTUAL REALITY here

This AWARENESS ALONE is profound  
And SO SIMPLE all at the same time  
Little did I actually realize  
That my ENTIRE REALITY/EXPERIENCE  
Is a vibrational and energetic projection and cellular transmission OUT  
From deep inside of me....

NOW, with this EXPANDED AWARENESS  
I can look at "Perceptions of Reality"  
COMPLETELY DIFFERENTLY  
Than my limited human mind did before....  
And FULLY EMBRACE my OWN CREATOR Consciousness  
And apply this to accomplishing all things energetically aligned with Our NEW EARTH

I can intentionally, consciously and organically reconnect my entire body and field  
My own Crystalline Gridding Systems within me to link up with Gaia's/Universally/Cosmically  
An intricate beautiful networking system  
That lives and breathes in UNISON AS ONE beautiful ENERGY  
And I can bring this forth and RAYdiate this out  
To breathe Consciousness into everything  
And reconnect my entire body/field/energy with that of Multi-Dimensional NEW EARTH

THE MORE I TUNE and hold my absolute highest States of Consciousness fully  
The easier it is to BE/DO and accomplish all AS this...  
While also constantly consciously releasing the old earth gridging system I held within

The HIGHER I GO in Consciousness  
The more EXPANDED I BECOME  
The more I'm able to UNLOCK  
The more Expanded My Awareness  
The more new realizations  
And the more ability I have to access, see, create, contribute and UNITE  
For LIVING NEW EARTH FULLY  
With every Conscious Breath  
Thought, feeling and ACT  
Because I LIVE UNITY Consciousness ONENESS LOVE  
And hold this fully  
Which is EMBODIMENT  
A Pure State of NEW EARTH Consciousness

As I continually tune my entire body's Consciousness  
To the Crystalline Plasma Gridding Systems of Our NEW EARTH  
The more my own body will organically and naturally release  
The old programs and griding systems of OLD EARTH

The more my body lets go completely  
The easier Energetic Shifting is

As I TUNE HIGHER  
My Consciousness shifts dimensionally  
Therefore activating a different griding system too  
Which means that my body will undergo an immense re-write and recalibration process  
For my new systems to come online  
Synchronizing and linking up  
With new Quantum Geometrics and Multi-Dimensional Codes  
Which means my Physical Lightbody will function differently than it did before

I realize this is a CONTINUAL PROCESS  
And not a "one time thing"  
I realize that I overwrite old programming  
With NEW EARTH ONES  
Which means an entire SHIFT in perceptions and what I believed "reality" to be....

As I consciously choose to disconnect from the old earth templates and griding systems  
My whole body/BEing does this too...  
So that I can LIVE  
THE Consciousness OF NEW EARTH  
Which means my entire reality/experience too....

As I hold an expanded state fully  
My body can do what it needs  
Mine is to observe, listen, feel, expand and trust in an organic process  
That doesn't fit into 3D  
Mine is to learn to trust fully  
And hold this Divine Sacred Connection and Intelligence from deep within  
Mine is to HONOR FULLY  
And not "go back" to the old ways  
Which means "Old Earth"  
As that's not "reality" anymore  
JUST AN ILLUSION OF ONE...

AS I TUNE TO MUCH HIGHER DIMENSIONAL FREQUENCIES AND BANDWIDTHS

New Holograms become visible  
Which appear, feel and seem “strange” and “weird” at first  
As the feeling is soft, pliable, fluid, malleable, bendable and no longer fixed  
Like the mentalities, experiences and beliefs of “old earth”

AS I SURRENDER TO DIVINE ALIGNMENT AND FLOW  
My priorities completely start to shift and change  
As does the FOUNDATION THAT I FUNCTION FROM  
As does my focus  
And I take full responsibility for how I show up, transmit out, behave and act  
Because I understand how important this is  
And how it creates the world/experience that I actually have here....

Anytime I find myself challenged  
All I have to do is pull away  
Close my eyes and go deeper inside  
Through the energy  
And allow it to dissipate  
Like a fog of amnesia lifting  
I’m able to gain clarity and see differently  
With all new perspectives, realizations and understandings  
Which support the facilitation of an entire reality/illusion/timeline shift

AS I HOLD MY LIGHT  
I connect up with the Gridding System and Templates of OUR NEW EARTH  
And while my Visions, Dreams and Purposes are Mine  
All of ours inner-link to create a massive hologram  
And morphogenic (morphing) experience  
That emanates Pure Unification and Love

As I intentionally and consciously TUNE HIGHER  
I allow all to shift within me  
Which means that Outside will too  
As I clear the linearity, density and old codes and gridding systems held deep within me

I’m the one that holds the codes in place  
I’m the one that holds the new in place  
I’m the one that determines which reality I experience “next”  
Yet not linearly....  
As realities/experiences are vibrational  
Which means that I can use my Consciousness to collapse and clear  
All unconscious realities/programs/timelines  
And the more conscious I become

The more I can do this at-will....

The more I understand full Consciousness  
The more I understand how it “affects” all  
The more abilities I can unlock and utilize through Purity and Love  
To “affect” current timelines  
And the perception of all “future ones”  
From this Zero Point of Creating ALL from this vibrational and energetic NOW  
And I can actually feel and SEE  
How my own energy, acts, words, emotions and thoughts CREATE ALL  
And RAYdiate, reverberate and transmit out  
Which is a part of what creates VIBRATIONAL RETURN  
To “come back around”.....  
And that as I achieve the VIBRATION of the highest timelines  
Those realities will materialize into “this zero point now”  
Which is what we refer to as “experiences”  
And by releasing OLD EARTH PROGRAMS from my entire template and gridding system  
I’m able to call forth NEW EARTH EXPERIENCES  
Naturally, organically, softly, as love and open up to these instead...

I HOLD THE CODES OF NEW EARTH IN PLACE  
I HOLD THE NEW FROM DEEP WITHIN  
AND ALLOW “OUT THERE” TO ALIGN  
I SYNCHRONIZE ALL THROUGH DIVINE HARMONY and ALLOW ALL TO RESTRUCTURE  
ACCORDING TO NEW EARTH  
A Consciousness  
A QUANTUM  
LIVING AND BREATHING  
MORPHOGENIC (MORPHING) HOLOGRAPHIC EXPERIENCE AND FIELD  
That solidifies in response to ME

I TUNE MY ENTIRE BODY’S Consciousness  
To this Quantum Holographic Morphogenic Super Consciousness Field  
And realize that these are fluid and constantly recoding, changing matrixes and constructs of my  
NEW EARTH REALITIES  
Based upon the FOUNDATION that I hold and function from  
And a whole new  
NEW EARTH VALUE SYSTEM  
That looks nothing like old earth did....

I FINALLY understand that my thoughts, actions, words, perceptions and ENERGY TRANSMITTED  
“TELL” this beautiful Organic Living Breathing Unified Field  
What to return

As an actual experience  
Which is vibrational  
And in complete response to me

I finally realize that ALL IS QUANTUM ENERGY FIRST  
And that NEW EARTH is a REALITY/EXPERIENCE  
Based upon my own Consciousness held...  
And as my Crystalline Plasma Lightbody emerges from within me  
So does a much more vibrant, pure and colorful inneractive beautiful EXPERIENCE  
A 360 degree range and motion  
Through Pure Presence  
A whole NEW WORLD is birthed, born, built and comes forth from deep within me....

I finally realize that when my heart, mind, energy and all of me is wide open  
Completely expanded as Love  
That my light transmits out  
To activate the Grids of my Physical Lightbody  
Which connects me up to experience NEW EARTH....

I am able to open up completely  
To understand  
That my Multi-Dimensional NEW Earth EXPERIENCE  
Is an inneractive one  
Through pure heart presence  
Where a new world unlocks and emerges from within me  
And with my every step...

A Quantum Equation where the Living Organic Field  
READS MY ENERGY TRANSMISSION  
To calculate and reflect back  
A vibrational and energetic match to what I'm holding continuously  
Which correlates to an energetic-physical RETURN...

Because of this new awareness  
I understand the importance of embracing all new from deep within me too  
As this is what creates  
And calls forth my own NEW EARTH REALITY  
Which is Heaven  
Pure Beauty  
Pristine  
Magnificence  
And beyond all human words  
As it's a whole feeling experience

And full Immersion into all things NEW EARTH  
Through my own Divine Pure and Powerful Soft Connection  
When I allow all old to completely dissolve and fall away from within me....

I HOLD THE Consciousness OF NEW EARTH  
SO NEW EARTH CAN FULLY BE MY NEW HOME  
IT'S NOT A SPECIFIC PLACE  
ITS MY ENTIRE REALITY  
WHEN I LIVE THIS FULLY  
WHICH MEANS IT'S EVERYWHERE I AM AND GO  
AS I AM NEW EARTH  
WHICH MEANS MY INNER AND OUTER CREATE AN ENTIRE EXPERIENCE  
ALIGNED WITH THE VIBRATIONAL FREQUENCIES OF NEW EARTH  
AND THAT MY ENTIRE BODY AND FIELD'S GRIDDING SYSTEM  
ARE AN ANCHOR POINT  
A GATEWAY  
PORTAL AND PASSAGEWAY  
AND CRYSTALLINE GRID POINT  
FOR ALL THAT I CONNECT WITH TOO

I BREATHE LOVE AND DIVINE ESSENCE INTO EVERYTHING THAT I AM AND DO  
SO THAT MY ENTIRE EXPERIENCE IS ALL NEW EARTH  
AS IS ALL I COME INTO CONTACT WITH  
AND TRANSMIT OUT TOO 🎵🎵🎵

Breatheeee and allow yourself this beautiful experience of NEW EARTH
